Features

- Multi-Fire XHD™ Flame Effect**
High-contrast flames feature improved brightness and character for a dazzling, lifelike effect.
- Interchangeable Media Bed**
Enhance any space in your home with the customizable media bed by choosing between the two included options – acrylic ice or driftwood & river rock.
- Customizable Flame**
The multi-flame technology allows you to adjust the speed of the flame to create the perfect atmosphere to suit your mood or room.
- Capacitive Touch Controls**
Settings and temperature display are hidden when not in use.
- Media Accent Colors**
Choose from a variety of brilliant color themes or cycle through a range of colors using the custom mode, freezing on the hue of your choice.
- Built-in Timer**
Set for up to 8 hours.
- LED Lighting**
Flame and lights use brilliant, low-energy LED's that require zero maintenance.
- Powerful Heating**
Powerful fan-forced heater features a safe, ceramic element that provides on-demand heat for up to 1,000 square feet.
- Multi-function Remote**
Control the fireplace features from the comfort of your chair.
- All-season Flames**
Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.
- Economical**
Economical to operate costing only pennies per hour.*
- Low Carbon Footprint**
The most sustainable fireplace option; no emissions and 100% efficient.
- Cool-touch Glass**
Glass remains cool making it safe for children and pets in any location.
- Just Plug It In**
Simply plug into any standard household outlet for instant ambiance.

* Based on national average residential electricity rate. Rates vary.
